PROFESSIONAL SUMMARY

Economist and Policy Advisor with over 18 years of combined academic research, empirical policy modeling, and high-level governmental advisory experience. Specializes in **Development Economics, Human Capital, Applied Econometrics, Public Finance, and Sustainable Development Goals (SDGs)**. Demonstrated track record in utilizing advanced quantitative tools (Stata, EViews, Python, GMM/SVAR modeling) to analyze macroeconomic stability, labor dynamics, digital transformation, and international trade. Experienced in bridging academic research with evidence-based policy formulation for national institutions and multilateral development initiatives.

CORE COMPETENCIES & EXPERTISE

- **Economic Policy & Analysis:** Macroeconomics, Public Finance, Fiscal & Monetary Policy, Trade & Tariffs, Currency Dynamics.
- **Development & Human Capital:** Human Capital Theory, SDGs Integration, Food Security, Labor Markets, Digital Economy.
- **Quantitative & Econometric Tools:** Advanced Econometrics (GMM, SVAR, Dynamic Panel Data), Stata, EViews, R Packages, Python (Data Analysis).
- **Policy Advisory & Governance:** Evidence-based Public Policy Formulation, Knowledge Management, Strategic Reporting.
- **Multilingual Capacity:** Native Arabic, Professional Working Proficiency in English and Russian.

PROFESSIONAL & ACADEMIC EXPERIENCE

Information and Decision Support Center (IDSC) – Egyptian Cabinet of Ministers | Jan 2023 – Present

Economic Expert (Part-time / Policy Advisory)

- Conduct empirical policy research and quantitative modeling to advise cabinet decision-makers on national macroeconomic policies, inflation, and currency devaluation dynamics.
- Lead policy briefs and research papers on labor market dynamics, Industry 4.0/5.0 transitions, and demographic economics.
- Utilize generative AI and Python data analytics tools to produce real-time economic intelligence for sustainable development initiatives.

Faculty of Commerce, Benha University | Feb 2021 – Present

Associate Professor of Economics (Teaching Assistant & Assistant Lecturer: 2007 – 2020)

- Teach advanced postgraduate and undergraduate courses in Macroeconomics, Public Finance, Monetary Policies, Digital Economy, and Feasibility Studies.
- Supervise Ph.D. and Master's theses focusing on SDGs, FinTech impact, food security, and monetary policy transmission mechanisms.
- Serve on the Community and Environmental Development Committee to link university research with sustainable local development.

Kazan Federal University (Institute of Management, Economics and Finance) – Russia | 2017 – 2020

Researcher & Teaching Assistant

- Conducted cross-country econometrics research analyzing human capital as a driver of global competitiveness and regional economic growth (MENA & EU).

- Collaborated on international academic initiatives and co-authored multi-country panel studies using dynamic GMM estimations.

Visiting Lecturer Roles | 2020 – 2023

- Cairo Higher Institute for Engineering & Management: Delivered English-taught courses in Macroeconomics, Knowledge Economy, and Public Policies.
- Cairo University & Faculty of Engineering (Benha University): Taught Money & Banking, Foreign Trade, Taxation, and Economic Feasibility Analysis.

EDUCATION

Ph.D. in Economic Sciences — Kazan Federal University, Russia | 2017 – 2020

Dissertation: "Human Capital as a Factor of System Global Competitiveness"

M.Sc. in Economics — Faculty of Economics and Political Science (FEPS), Cairo University | 2008 – 2013

Thesis: "The Role of Government Spending in Raising the Efficiency of Education: Egyptian Case Compared to International Experiences" (Grade: Very Good / Thesis: Excellent)

B.Sc. in Commerce (Economics Major) — Benha University, Egypt | 2002 – 2006

Grade: Very Good
